

# THE DUBLIN CLEFT CENTRE CONFERENCE

## Cleft Lip & Palate

# The Journey of Care from Birth to Adulthood

**Wednesday May 14<sup>th</sup> 2008, 9.00am – 5.00pm**  
**Hilton Dublin Hotel, Charlemont Place, Dublin 2**

Cleft Lip & Palate is a common birth defect affecting approx 1:600 live births in Ireland. Children born with this congenital condition can present with interrelated complex issues and are thus referred for management to the Multidisciplinary Cleft Team.

The aim of the conference is to provide an overview of the journey of care of a baby born with Cleft Lip & Palate from birth to adulthood.

This conference is suitable for Neonatologists, Paediatricians, Obstetricians, Surgical Trainees, Speech & Language Therapists, Orthodontists, Dentists, Nurses, P.H.N. & Midwives, General Practitioners and other interested Health Care Professionals.

Presentations will include information on Feeding, Genetics, Surgery, Speech & Language Development, Hearing Problems and Management, Orthodontics, Prosthodontics & Maxillofacial Surgery.
